#### **Directors' Report to the Shareholders**

Bismillahir-Rahmanir Rahim

Bismillahir-Rahmanir Rahim Honorable Shareholders,

Assalamu-Alaikum

It is really a great pleasure to welcome you all on behalf of the Board of Directors and on our own behalf to this 24th Annual General Meeting of Daffodil Computers Limited. We have the pleasure to present you the Annual Report with Audit Accounts' and Auditors Report as of 30th June 2021 in the meeting.

#### Dear Shareholders,

As the novel corona virus had taken over the world last year and has not yet loosened its deadly grip, many countries around the globe including ours have adopted non-therapeutic measures which include, however not limited to overseas and internal travel restrictions, country-wise lockdowns and the indispensable social distancing. Like every other corporation around the world, DCL has also faced the brunt of it and valiantly fought through. It has faced an inevitable domestic slump, a side effect to the efforts to restrict the spread of the contagious disease, to which we have lost many last year. It has also put up with a sharp decline in foreign trade and a drop-in remittance. The ongoing ordeal has also casted its evil shade on our growth by disrupting local and international business networks, supply and demand chains. However, we are ecstatic and humbled as we end the year in the best note possible. We are proud to let our shareholders and associates know that we have majestically made the battle ours, thanks to our ever-devoted employees who have prudently driven the company to where it stands today, time-served and ever strong.

You will be happy to hear that, despite many barriers, your company has made significant achievements in the year 2020-2021. With best efforts of the management, excellent financial control, extra ordinary care and attention, the sustainable growth of the company with upward trends could be kept continued as is evident from the following comparative operational positions:

Since the company has complex terms of contracts which require significant management estimation and judgment in determining the timing of revenue recognition and measurement. ### Reporting on Other Information

Management is responsible for the other information. The other information comprises all of the information in the Annual report other than the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements and Internal Controls

Management is responsible for the preparation and fair presentation of consolidated and separate financial statements of the Company in accordance with International Financial Reporting Standards (IFRS), the Companies Act 1994, the Securities and Exchange Rules, 1987 and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of consolidated and separate financial statements of the Company that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated and separate financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Consolidated and the Separate Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated and separate financial statements of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated and separate financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated and separate financial statements, including the disclosures, and whether the consolidated and separate financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
